

The TARGET Drama Service ([www.target-arts.org](http://www.target-arts.org)) focuses on helping young people improve confidence, self-esteem, literacy and oracy. We provide vocational training to give young people the ability to stand up and speak in public. We believe the performing arts should be accessible, regardless of background, so are assembling a library of taught texts to help parents avoid spending a fortune in buying materials in. We are looking for the books below:

1. A. A Milne- Winnie the Pooh
